

# Rietveld Taxaties

Interested in a car for sale in the Netherlands? Dennis Rietveld can provide a pre-purchase inspection for you on any location in the Netherlands. The car you are interested in will be inspected in a professional manner:

- Complete visual inspection of the whole car.
- Check of the maintenance history ( service booklets and invoices)
- Coating thickness measurement.
- Check for bodywork on the car.
- Extensive photo report for an complete list of the car (Body, interior, engine, underside, problem areas and details).

The inspection will be carried out according to our high quality standards. During the inspection two things are important, quality and originality. We will check if the car is in the condition as it is described in the ad or the way you found out it is for sale.

After the inspection we will speak to you on the phone or Skype, to give a clear and honest report of the car you are interested in. In advance of this conversation the complete and extensive photo report will be send by email. We would like to point out that we don't give any concrete buying advice, we only provide a visual inspection of the car.
